

FOR IMMEDIATE RELEASE:

ARG Back Office Services Celebrates 81% Growth, 74 New Jobs, and 2 Awards for Growth and Revenue

St. Petersburg, Florida – ARG Back Office Services has been recognized regionally and nationally for business performance. The national publication *Inc.* magazine and the regional newspaper *Business Observer* have both noticed ARG's performance in the back office payroll field – the former for growth, and the latter for revenue.

Each year, *Inc.* magazine ranks the 5,000 fastest-growing private companies in America. And for the second year in a row ARG Back Office Services is solidly included in this list. It's a great honor to be recognized by a 36-year-old monthly business publication focusing on growing companies, and ARG is thrilled to be on the list again in 2015.

"We're really excited to be recognized two years running by a well-respected and established national magazine like *Inc.*," said Robert Brennan, ARG's president. "They described us as 'Powering the back office services for independent recruiting and staffing professionals by reducing back office costs, increasing revenues and enhancing productivity through its full-service payroll and staffing services.' And I think that sums us up perfectly!"

ARG earned inclusion in the 2015 list by created three-year growth of 81%, reaching \$3.5 million in 2014 sales, and adding 74 jobs in 2014. Located in sunny St. Petersburg, Florida and founded in 1998, ARG Back Office Services proudly employs 89 and made its debut on the *Inc.* 5000 Fastest-Growing Private U.S. Companies list in 2014.

ARG is also celebrating inclusion in the 2015 Gulf Coast 500, a list compiled by the *Business Observer* ranking the largest 500 companies by revenue in the nine-county area of Florida from Polk to Collier. And Rob is equally excited about this honor.

"The *Business Observer* describes itself as 'Florida's newspaper for the C-suite'," he explains, "and reading a few issues you'll understand why. So we're very happy to be known to them, and doubly so to be included in this list."
